Transrail adds another country in Africa to its growing portfolio with a large EPC project. FY26 Inflows crosses ₹3,500 crore mark.

Cumulative order inflow grows by 78% Y-o-Y, reflecting continued growth momentum.

Mumbai, September 15, 2025: Transrail Lighting Limited (BSE: 544317, NSE: TRANSRAILL), a leading turnkey EPC company in Power Transmission & Distribution (T&D) with diversified operations across Civil, Railways, and Poles & Lighting, has bagged new orders of ₹421 crore, including a large Transmission Line Contract in a new country in Africa. These additions have taken the Company's FY26 order inflows beyond ₹3,500 crore as of August 2025, reflecting a growth of 78% Y-o-Y.

Mr. Randeep Narang, MD & CEO said:

"We are pleased to announce our expansion into new country in Africa with a large Transmission Line order. This order along with other recent orders across International T&D and Pole and Lighting totals to ₹421 crore, which has taken our YTD FY26 inflows past the ₹3,500 crore mark resulting in a 78% Y-o-Y growth in order intake. These fresh wins, led by international T&D and complemented by Poles & Lighting orders, highlights our diversified capabilities and growing global presence. We remain committed to efficient execution and value creation for all stakeholders."

About Transrail Lighting Limited:

Transrail is one of the leading engineering, procurement and construction companies with primary focus on power transmission and distribution business with 4 decades of experience. With its headquarters in India, it is a global enterprise with a footprint in 60 countries across 5 continents.
